Management has determined that the Organization does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Organization's tax returns will not be challenged by the taxing authorities and that the organization will not be subject to additional tax, penalties and interest as a result of such challenge. Generally, the Organization's tax returns remain open for three years after they were filed.

Part I, Line 2:

VFF USA believes in participatory monitoring and evaluation (M&E). All donations collected are transferred to our implementing partner in India, the Rural Development Trust (RDT). RDT manages expenses at different levels, according to the projects. Some expenses are managed through the central procurement department and others at the village level via village community development committees. RDT has dedicated staff and resources to ensure transparency of finances, procurement, and development of all donor-funded projects, providing financial reports at the end of the projects.

Monitoring and Evaluation (M&E) is carried out at various levels. The Director of the RDT project's sector monitors the project and provides overall coordination for its smooth execution, assisted by the M&E department that develops the monitoring framework. The M&E department conducts impact assessments to evaluate the project's impact. They maintain and update the Log Frame Matrix and are supported by other departments and personnel as required. The village community development committees play an important role in performing monitoring and evaluation activities to ensure completion and report progress to RDT. The monitoring includes data collection which guides strategic decision-making, as well as providing photos, testimonials, and expenses of the projects. RDT involves primary stakeholders as active participants. Other personnel involved in the M&E are Sector Team Leaders, Regional Directors, Area Team Leaders, and Regional Projects Coordinators. RDT supports regular opportunities for
